5) SIGNATURE

Please read declaration and sign to allow AdEPT the authority to liaise with your current supplier if required.

I hereby give permission for AdEPT Telecom to discuss the details of products and services relating to my account. This letter of authority is for the current SP to provide AdEPT information relating to the contracted products and services as requested. This letter will also authorise AdEPT to request changes to products and services in order to complete the transfer of service and sign any related paperwork to authorise these changes.

All future order forms will be added to this Master service agreement for the contract duration. To qualify for new services with discounted installations, the master service agreement must cover the specified duration. If not a new master service agreement must be signed for the duration, and all previous service additions will fall under the most recent master service agreement form. AdEPT Telecom are able to provide further services as one of the UK's Leading Comm's Integrators. By signing this form you agree to our terms and conditions and prices, for full details visit: www.eclipsecorp.us
